

The Bug Club

There are lots of benefits to becoming a member of the RH&DR Bug Club

Locomotive number 4 The Bug invites all of the Railway's junior fans (under 11 years) to join The Bug Club. The smallest of the Railway's steam engines brings big membership benefits:

- A badge and personalised membership card.
- A personalised birthday card from The Bug.
- A reduced travel rate of £2.20 on all non-special event days.
- Free travel once a year on The Bug Club special event day.
- A seasonal e-newsletter full of the latest Railway news including puzzles and colouring fun.

I enclose £8 (payable to RH&DR) for one year's membership to The Bug Club.
