# Heritage Set

## Royal Saloon and Ruth

Both coaches have two compartments of four with no intermediate bulkhead so all customers can see and converse with each other.

The Royal saloon is finished to a higher standard with curtains etc.

## Clayton Pullman

Three compartments of four but with intermediate bulkheads so each compartment is a separate and exclusive area and there is no visibility through between them.

## Bar Car

Seats 1, 2, 13 and 14 are outward looking through the Observation window.

Seats 3 and 12 are inward facing towards the Bar.

All other seats are side seats to give maximum legroom across the width of the coach.
