

## Vintage and Classic Vehicle Rally Sunday 3<sup>rd</sup> July 2022

### Vehicle Entry – Details and Requirements

We invite you to bring your vehicle to the RH&DR Vintage and Classic Vehicle Rally on Sunday 3<sup>rd</sup> July at New Romney Station. The event will take place in the Car Park at New Romney (TN28 8PL) and run from 10.00 to 16.30.

Vehicles will be on static display and the owner or an authorised person is required to remain with the vehicle at all times.

Owners may bring 1 guest to the event. 1 owner and 1 guest will receive a 'vehicle pass' to gain access to the Model Railway Exhibition and Heritage Centre at New Romney for Sunday 3<sup>rd</sup> July.

We will be running the 'Special Enhanced Timetable' available from our website nearer the time [www.rhdr.org.uk](http://www.rhdr.org.uk), so expect a high footfall.

We hope that you are able to join us for the rally and look forward to receiving your completed entry form. Please could you return it to:

[events@rhdr.org](mailto:events@rhdr.org)

Please note that our events attract members of the public in large numbers. This includes young families so, when vehicles are involved, we must make our first priority the safety of all those attending, to avoid accidents or injuries. Therefore a few rules must be adhered to. All vehicles must be driven in a safe, professional, and appropriate manner with due regard to the safety of passengers and others on the show area, taking account especially that movement of vehicles at the start and end of the event will be in an area also open to the public.

By signing this entry form you agree to abide by the following:

- All vehicle entries must have the appropriate MOT and insurance.
- All drivers of vehicles and all visitors must abide by instructions given by officials/marshals on the day.
- Speed on the rally site is not to exceed 5mph.
- Any reversing of vehicles must be supervised by a responsible adult (either a member of the vehicle crew or a marshal/official).

There is **further information** on the next page.

### **Further information**

This is a new venture for us at RHDR and we want a varied and interesting display. We will accept any and all expressions of interest on the attached booking form.

We have in mind vehicles from 1970 and earlier. We will be open to other applications. The plan will be to sift the applications in the week beginning 30<sup>th</sup> May to create a balanced display and we undertake to reply to all applicants within that week. We have space for 40 cars or other large vehicles, and 5+ motorcycles, so please feel free to send in your application for our consideration. It should be a high footfall event, so we hope to have a very special group of vehicles, including yours.

We are grateful for your interest. We retain the right to decide on which vehicles will be admitted, but we hope that will not deter you from expressing your interest.

The RHDR attracts a large number of 'transport' enthusiasts, so we hope this will become a regular event in our annual programme.

Please complete the application form on page three and return it to [events@rhdr.org](mailto:events@rhdr.org)

We will acknowledge your application and then get back to you in the w/b 30<sup>th</sup> May.

The event is organised by Jade Ashton, events manager at RHDR with assistance from David Parrott, volunteer events assistant.
